

DAMP SEAL SOLUTIONS

- 1.Product Certificate of Guarantee (FREE)**
- 2. Insurance backed guarantee (Cost Varies)**

1. 'Free' Product Certificate of Guarantee

You would receive a product guarantee upon which the guarantee certificate will have details of the issuing manufacturer or distributor, the name of the installing contractor which would be ourselves and the details of the address the work was carried out at and areas where work was carried out. This document remains with the property, this would also be dated. We guarantee our workmanship and if a fault occurs with our workmanship during the term of the product guarantee you are at liberty to contact us and ask us to inspect the fault and where appropriate, put the fault right.

A product guarantee certificate is valid for 20 years.

2. Insurance backed guarantee – cost varies

(Please ask us for a quote)

We can also offer customers an insurance backed guarantee for a term of 20 years for damp proofing work and 10 years for below ground tanking and waterproofing. There is a cost for this insurance backed guarantee.

Upon completion of the project, we can provide our customer with an insurance guarantee policy certificate. If in the event a claim needs to be made by the property owner against a failure of the works carried out we will return to affect a repair under the terms of the guarantee.

Costs Vary depending on work done – please ask us for a quote!
